

Updates for 2018

Jon and Kim May (Fords Branch Church of Christ) continue full-time Christian service as missionaries to the **unreached and unengaged**. They are currently serving with TEAM Expansion (Louisville, KY). Though fully funded for the first year (through August 2018), a significant portion of that support was committed for one year. Pray that God provides Jon and Kim with additional partners who will be permanent supporters financially for the work.

Praise God for the sale of their Pikeville home and for their successful transition to their new location in Shelbyville.

Their prayer needs include the following:

- Jon and Kim still need to raise \$1500 per month in order to be fully supported and begin work with Team Expansion.-
- Prayer partners are also coveted.
- Learn more, find the monthly newsletters, and follow this work on the Jon and Kim May family webpage at www.teamexpansion.org/jonmay

PACE (Pray, Activate, Commit, and Enlist) PACE is a missions strategy aimed at reducing the number of unreached and unengaged ethnic groups throughout the world. A congregation or group of people adopt a group and begin a work of prayer targeting the group with the ultimate goal of establishing a disciple-making movement among that people group.

- Pray that God may raise up an individual or group of individuals with a heart for an unengaged or unreached people group who will begin a specific prayer effort for that group.
- Pray that the Holy Spirit might lead our churches to a specific group that we might collectively see Jesus revealed among this group.
- *Pray that the Holy Spirit is even now preparing the hearts of the people to receive the good News of salvation in Christ Jesus.
- Pray about your potential role in a PACE project.

ZUME This is a disciple-making training course that is designed to train Christians to be disciples who make disciples. The tools provided and the skills developed in the 9 lessons help to equip Christians to share Christ in their neighborhoods, communities, and among the nations.

Pray that many people in our area will seek to deepen their personal relationship with Jesus and become better equipped to share the life-giving Gospel with all those whom the Lord brings to their lives. Two groups from the Fords Branch church have gone through the lessons. Plans are being made for a third group which will meet at Shelby Valley High School.
